Deputy Chief of Staff for Intelligence
Headquarters, SAC

Dear Jim,

I appreciated your recent visit and benefitted from knowing your views on some of the key intelligence issues we are addressing in this year's NIE. I am sorry that we did not manage to get you to review our treatment of protracted conflict in the NIE 11-3/8 draft. I trust that the Air Force representative will give you or your people a chance to comment on the draft before our final cleanup on the text.

I should add that SAC and JSTPS personnel contributed to some of the research for the study. Please convey to the contributors our appreciation.

Sincerely,

Lawrence K. Gershwin
National Intelligence Officer
for Strategic Programs
